COMPOSITION

Here's a short, 1-minute song about gratitude to food, shelter, and clothing that would go well with keyboard and guitar:

—

****Verse 1:****

Thank you for the bread on my table,
For the warmth that keeps me stable,
For the roof above my head,
Where I can rest, where I'm fed.

****Chorus:****

Grateful for the food I eat,
For the shelter, oh so sweet,
For the clothes that keep me warm,
Through the night, through the storm.

****Verse 2:****

In every bite, I feel the grace,
In every stitch, a warm embrace,
In every wall, a place to stay,
Grateful for another day.

****Chorus:****

Grateful for the food I eat,

For the shelter, oh so sweet,
For the clothes that keep me warm,
Through the night, through the storm.

****Outro:****

Thank you for the simple things,
For the joy that each day brings.
